

-Flying Pelican- ***Hand Carved***

This basswood hand-carved Pelican was designed and created in our Oromocto NB studio. Measures 3 ft long by Five inches wide with a depth of 1 1/2 inches. They are designed to hang on your wall and comes with a D-ring hanger on the back of the carving ready to go. They are finished with two coats of mahogany wax to give it an antique look. Then two coats of clear beeswax. Perfect for any bird or nature lover and a conversation piece. All of our carvings are made in New Brunswick, Canada, by a Military Veteran.
