

House Sign

Wood Brown

Solid Cedar

Hand-carved

Hand-painted

Specifications

Size: 14 1/5 inches with a thickness of 2 inches

Construction: Hand-carved and hand-painted

Wood Type: White Cedar

Design: Wood Brown

This house sign is designed to hang and comes with a sizeable D-ring hock on the back. If you intend to have it screwed on, just let us know, and we can pre-drill the holes for you.

Note: the maple leaf design can be painted in brown as seen above or gray, green, red, blue or white.

Note: we do not supply the numbers unless requested to do so.
