Marie A Crosby

Blue Heron Paddle

Hand-painted Canoe Paddle

Our hand-painted canoe paddle is made in our Oromocto, NB studio. That said, it is a real paddle and can be sealed in Spar Varnish and used as a canoe paddle or hang on your cottage wall as art.

You can custom order a paddle with just about any wildlife or design painted on it, from birds to moose, bears and more. Once sealed, the paddle can be used as designed.
