

Eyes Of The Wolf

Hand Carved Wall Art

Darkwood Woodcarving

Eyes Of The Wolf is a hand-made woodcarving, pyrography art, hand-painted with hand-painted epoxy eyes. This is a real one-of-a-kind woodcarving, it is made from solid white Canadian Poplar wood, which gives it that stunning white background. Hand-made in our Oromocto, NB studio. Each of our works of art comes with a certificate of authenticity and a coin dating the carving. It is designed to hang on the wall and comes with a D-ring on the back, ready to go.
